

Follow [Boston Ujima Project's](#) **#NecessarySystemsDaily** campaign on social media. This campaign is releasing daily actions throughout the pandemic that encourage us to support ourselves and our communities during this time.

Support our undocumented community members by purchasing gift cards for groceries and other basic needs with the Boston Immigrant Justice Accompaniment Network. [Sign up here](#) to mail or make a (contactless!) gift card drop off.

Act on the issues of the moment with GBIO by making emails and phone calls: Accessible and affordable health care, safe decarceration from prisons, and mortgage/rent relief. [Sign up here](#) to participate.

# פסח

## Seder Plate of Action

Join JALSA and the Emergency Task Force on Coronavirus Equity by reading [this handout](#) and calling the Governor to make your voice heard.

Consider purchasing organic produce and choosing meat substitutes. Doing so protects our planet by keeping toxic methane out of our atmosphere and acknowledges animal cruelty in factory farms.

Join the TI Cares Acts of Kindness Army make phone calls and send texts/emails to those desiring more human connection during quarantine. To participate, email [ticares@tisrael.org](mailto:ticares@tisrael.org).
